Edgar Nunn Dead.

After a lingering illness, extending over several months, Edgar R. Nunn died Saturday morning at 2:15, at his home in this city, at the age of 26.

His death came not as a surprise, but it had been expected for several days.

Edgar Nunn was the youngest child of Dan Nunn, deceased, and Mrs. Joe Nunn, brother of Frank Nunn of this city and Mrs. A. C. Trainor of Piggott, Ark., and the nephew of Elias Nunn, Mrs. C. L. Lefler and Mrs. Emmet Varner of this city.

Funeral services were conducted by Rev. A. D. Rankin of the Methodist church, assisted by Rev. T. G. Fallin, at the family residence Sunday morning at ten o'clock, when his remains were taken in charge by the W. O. W. and with appropriate ceremonies laid to rest in Woodlawn Cemetery.

Edgar has many friends, and never made an enemy.

He was courteous and kind to all, particularly respectful to the aged, and devoted to his widowed mother and his sister and brother, and he will live in the memory of all who knew him.

To his bereaved family, we know of no greater words of consolation we can offer than we all expect to meet again, and our separations here are not for long. When our friends and dear ones leave us we know they have only

"Gone before

To that unknown and silent shore."

whence we all must go, and, while no parted one has ever returned to tell us the way, we believe the angels await the spirit to guide it safely to its goal.

Young and full of hope, perhaps Edgar had many aspirations in life, and those near to him longed for his companionship. In his last hours, though, it was realized that he could not remain and all became reconciled to the dissolution of earthly things and calmly awaited the final signal, when "God's finger touched him, and he slept."

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Resolutions of Respect.

Forest of Pecan Camp 273, W. O. W.

Hayti, Mo., July 27, 1914.

Whereas, Sovereign Logan Taylor, a member of ————camp No. ————, W. O. W., Malden, Mo., departed this life July 27th, 1914, passing from a life full of activity and usefulness, into one of continued rest and peace.

And, whereas, Sovereign Taylor had made many friends during his sojourn in our midst, was liked by all who chanced to know him and was considered honest in all his business dealings.

Therefore, be it Resolved, That we extend our fraternal sympathies to the Camp at Malden where he was more closely affiliated, and that our condolences go out to the sorrowed family in this sad hour.

Committee: P. S. RAVENSTEIN,
H. L. KENDRICK,
W. B. REASONER.

Taking Calomel is Dangerous.

Calomel is a powerful chemical made from mercury—people should be careful about its use. The only sure way to avoid the danger of calomel is to take no calomel.

Dodson's Liver Tonic, a vegetable liquid of pleasant taste, more than takes its place. Where calomel shakes you up and shocks your liver and often makes you really sick, Dodson's Liver Tonic, mild but effective, builds up and strengthens. It "liven's up the liver." You feel fine after taking it.

Dodson's may be taken without any restriction of diet or habits. You can give it to your children with fine results.

Get a large bottle for 50 cents at Lefler's Drug Store and if it doesn't do all that you think it ought—if it doesn't make bilious spells mere trifles—if it doesn't "liven up your liver," your money will be waiting for you and be returned with a smile. (Adv.)

Judge Jas. T. Blair

Pemiscot county's choice for Supreme Judge, Division, No. 1.

The county has just received its proratio of the automobile revenue collected and disbursed by the state, which was \$1,400.00, and it came at a time when needed. As we understand the matter, the county court has already prorated the amount between the various road districts of the county, about \$200.00 going to Caruthersville and \$150.00 to Hayti. The county court has ordered three cars of silica for Hayti, one of which will be used on the road just east of town, and the other where it will do the most good. But the people will have to unload, haul and distribute the silica. The county only furnishes the silica on the cars delivered at Hayti. Now let's get busy and take care of the silica when it arrives. Geo. B. Webb, the road overseer, says he is going to do the very best he can with this road material, and would appreciate the liberal cooperation of the people.

Practical jokes and pranks do not always turn out as expected, and sometimes the laugh is on the other side of the mouth. This was the case last week, when some devilish men gave the little son of Mrs. Ada Bridges twenty-five cents and sent him to a barber shop to have his hair clipped. He is a beautiful little fellow, with curly golden hair, and his mother was very proud of him and used great care with his little curls, and when he came home shorn, we want to tell you right now business picked up. No doubt the joke was unthoughted and the men did not realize the enormity of their offense against this little child and his mother, and we are sure it will be a long time before they are guilty of another such trick.

40 acres land, all cleared, good state of cultivation, two miles northwest of Concord. Two good houses and barns. Good bargain. W. F. Cook, box 45, Hayti.

Jas. Akers is now with Sid Oates' clothes cleaning and pressing establishment, on the north side of the square. Sid is going away for his vacation about the first, and Mr. Akers will have charge of the business during his absence.

Sheriff and Mrs. Mack Stubblefield of Caruthersville were here in their automobile Friday. Mrs. Stubblefield accompanying her husband on his trip to serve court papers.

John Stubbs bought the Leo Greenwell property last week, and will make it his home. It is a very desirable piece of property and conveniently located.

Mrs. Harriett Kirkendall of East Prairie, who has been visiting her sister, Mrs. R. P. Murphy, for some time, returned home last Thursday.

Cement, lime, brick, chat, and other building material is kept in stock and is for sale by the Hayti Ice & Cold Storage Co. See Chas. Morgan. 201

H. A. Dortch writes from Ft. Dodge, Iowa, that he and H. B. McClure are getting along nicely on their trip.

Probate J. M. Baasher of Caruthersville came over Saturday, to see the voters.
